## COMMUNITY Thanksgiving DINNER

Thursday, November 24, 2022

Serving @ Noon across Acadiana

Community projects serve as a way for our sponsors and volunteers to develop relationships with individuals, families, and businesses within their community. There isn't a better time than Thanksgiving to show our residents the support our community has to offer.

With your help, we can reach our goal of over 3,000 free meals to our beautiful Acadiana area community.

“Helping Others, Help Others.”

You can make donations via <https://www.loveofpeople.org/community-thanksgiving.html>
