Acadiana's First Memory Care Facility

Introducing, Belle's Tower, a remarkable and unique initiative that is deeply committed to enhancing the well-being of our community's seniors through a holistic approach to memory care.

Nestled in the heart of Downtown Lafayette, Belle's Tower is Acadiana's first memory care facility, and it is designed to provide a fulfilling and joyful experience for our cherished clients. Our mission is to prioritize the physical and mental health of our clients by creating an environment that fosters a healthy lifestyle and engages them both physically and mentally.

Ida Belle Pesson

The inspiration behind Belle's Tower comes from the remarkable life of Ida Belle Pesson. Known as "Belle," she was a force to be reckoned with—a strong, patient, and deeply compassionate woman who provided unwavering support to her family and community. She was a source of strength, faith, and companionship for those in need.

As Belle aged, her caretaker was determined to honor her wish of not being placed in a nursing home. Although Belle never had the opportunity to step into her forever home at Belle's Tower, her legacy lives on through our mission to provide quality of life to those in need, just as she did throughout her lifetime.

Amenities

At Belle's Tower, we have carefully crafted a wellness program that offers a wide range of activities and services tailored to address the unique needs of our clients. These include brain-stimulating activities, guided Tai Chi sessions, and the therapeutic benefits of live musical performances by local artists.

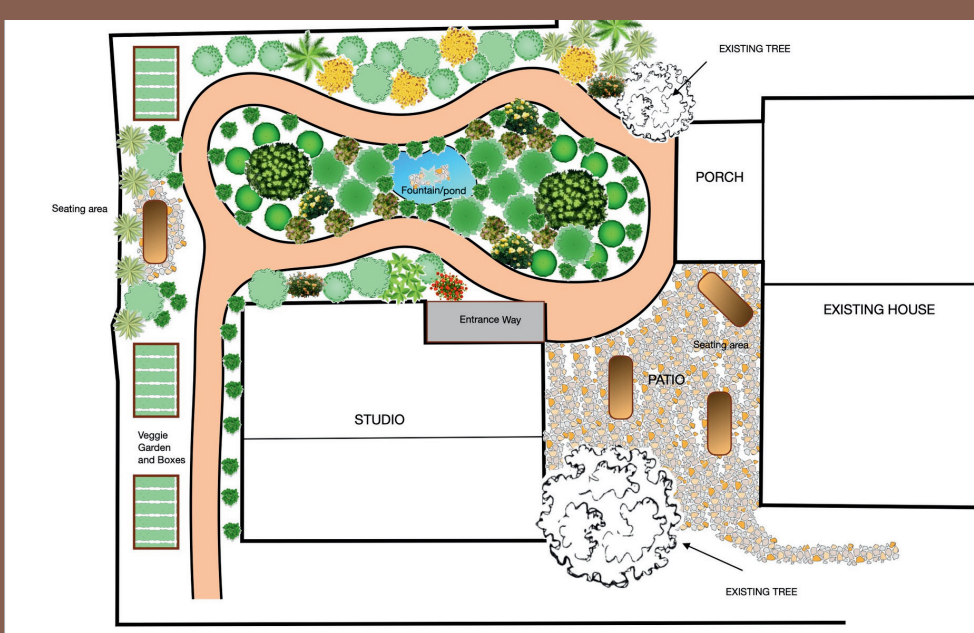

Our clients also have the opportunity to engage with local artisans in craft corners, participate in supervised baking tutorials, and savor the simple pleasures of tea-time moments. Our dedicated Activity Liaison is committed to curating suitable physical activities that match each client's preferences and abilities.

Location

Belle's Tower is housed in a beautiful 2500 sq. ft. above-ground home located at 306 Monroe St. in Lafayette, LA.

Belle's Tower Development

While we are currently at the initial stages of our brand development, Belle's Tower has already made significant strides. We proudly showcase a custom logo, which holds a special connection to our founder, Ms. Ida Belle Pesson, as it's based on her own magnificent magnolia painting. Our web design and development efforts are in full swing, and we've secured our domain name, marking a strong digital presence in the making.

Furthermore, we're armed with an informative one-sheet, carefully crafted to introduce Belle's Tower to the public and create awareness. As part of our ambitious growth strategy, we've initiated the planning and exploration of funding opportunities for our inaugural event. This event will play a vital role in sponsoring memberships for prospective clients while opening up new avenues to engage with our target market. We're excited to embark on this journey and look forward to what the future holds for Belle's Tower."
