

Love of People

## Community Thanksgiving 2022

*"Do small things with great love." - Mother Teresa*

Dear Potential Anchor Partner:

On behalf of Love of People (LOP), a non-profit organization based out of Lafayette, La, I am requesting your support for our 9th annual Community Thanksgiving Project. The purpose of LOP is to connect local businesses with the communities they serve by identifying the areas in most need. By working together we use our most valuable resource- our culture- to improve and build our entire community.

Nine years ago, our founder, John Williams started the Community Thanksgiving Project with the goal of providing food and companionship for displaced individuals and families in our community. He called on friends, family and local business owners. Their collaborative efforts distributed 150 meals in its inaugural year. This year with the support of Anchor Partnerships, our goal is to serve over 3,000 meals throughout the Acadiana area. This year's target area is Opelousas, Sunset, Lafayette and New Iberia.

Our goal is to have all meals delivered to their designated sites by noon on Thanksgiving Day. Guests can pick up their dinners or enjoy their meal in the company of others in a safe environment. This initiative requires a collaborative effort with local government, community service agencies, a host of volunteers and YOU.

We look forward to your organization partnering with us in growing this worthwhile initiative throughout the Acadiana area in our time honored tradition of a shared meal. Please contact Chad Theriot ([Chad@cbmtech.com](mailto:Chad@cbmtech.com)) with any questions.

Thankfully,

*Chad Theriot*

With your organization's help, we can reach our goal of 5,000 meals. You can help by:

- Donating \$750 to cover 100 meals
- Donating \$1,875 to cover 250 meals
- Donating \$3,750 to cover 500 meals
- Donating \$7,500 to cover 1,000 meals
- Donating any amount at [loveofpeople.org/community-thanksgiving](https://www.loveofpeople.org/community-thanksgiving)
- Volunteer information found on our website <https://www.loveofpeople.org/>
